

Curriculum Vitae: Dirk Beinhold

Dirk Beinhold is co-owner and CEO of Akkord Film. A member of the German Film Academy and formerly a Visiting Professor for International Co-Productions at California's Chapman University's Producing Program in Singapore (2010-14) and member of the International Academy for Television Arts & Sciences, he looks back at 28 years of producing experience. With a B.A. in Political Science from the Free University of Berlin, he started his career in local television and soon created innovative TV magazines. He then moved to Los Angeles to become the first German to enter the Peter Stark Graduate Producing Program at the University of Southern California where he received an MFA in 1996. While still attending USC film school, he started as Management Trainee at Warner Bros. followed by a stint as Financial Consultant at Prelude/Paramount. He was then appointed Creative Executive at New Regency Productions where he

was involved in key creative aspects of half a dozen feature films including iconic films like L.A. CONFIDENTIAL and HEAT.

Wanting to learn more about the European film & television industry, he moved to Munich to become Co-Head of Production at German TV broadcaster ProSieben (Pro7) where Dirk oversaw all German fiction production and initiated some of ProSieben's most successful movie specials. In 1998, Studio Babelsberg appointed him Head of Creative Production. While rounding up his international co-production experience, he produced a German feature film with Senator Film and oversaw a TV movie cycle for UFA & ZDF.

In 2001, Dirk founded his company, Akkord Film Produktion GmbH. With Akkord, he then successfully produced an impressive line-up of feature films and event TV series. With his company, he focuses on international co-productions and since 2011, on animated productions only. Dirk has built up a worldwide network of renowned partners, thus securing his company's co-financing abilities and access to an international pool of top creative talent. 2012 marked the release of RAVEN THE LITTLE RASCAL (DER KLEINE RABE SOCKE; PETIT CORBEAU), Akkord's first animated feature film, based on a popular German children's book series. RAVEN THE LITTLE RASCAL – THE BIG RACE (DER KLEINE RABE SOCKE – DAS GROSSE RENNEN; LA COURSE DU SIÈCLE) was released in over 20 countries in 2015 (e.g. by Gebeka & Universum). Akkord's 1st 2D-animated TV series LITTLE RAVEN (52x12min) was co-produced by French animation expert 2Minutes and premiered on German children's channel KiKA Dec. 2016 and Aug./Sep. 2017 followed by NRK in Norway and others. Akkord's CG-animated feature, "RABBIT SCHOOL – GUARDIANS OF THE GOLDEN EGG", premiered in competition at Berlinale 2017 and is both, a critical and commercial success. Currently Dirk is producing two animated features, SEARCH FOR THE LOST TREASURE and THE ELFKINS (DIE HEINZELS) while developing a slate of animated projects.
